The Vice Deanship of Students Affairs for Female Alumni in brief

Female Alumni of King Abdul Aziz University holds the legacy of shaping the lives of generations of graduates. It seeks to achieve international leadership in scientific, operational, and research areas. KAU was and still is at the forefront of Saudi Universities that is proud of its Alumni, and believes in the continuity of its message to them before and after they graduate. These Alumni represent a real investment on which lies the hopes of the beloved country.

King Abdul Aziz University found the Vice Deanship of Students Affairs for Female Alumni in 1426, which since has taken the responsibility for the development of the personal and professional skills of the students and the discovery of talents before graduation. It gives KAU Alumni the chance to express their talents participation in different KAU activities in preparation for their practical life and the job market.

King Abdul Aziz University cares to be in contact with its Alumni after graduation and give them ways of support, care and provide many training, professional, and community opportunities for them inside and outside KAU to help in their interaction and integration in this fast evolving world as it changes. Thus, it contributes to the process of nation building.

In the pages of this booklet, dear alumni, the Deanship of Students Affairs for Female Alumni leads you to useful information about the most important services offered by the Vice Deanship in the field of training, employment and communication via the Association of Graduates. By this, we try to answer questions and inquiries you might encounter.

We wish you all the best to achieve more success and excellence
Family of Vice Deanship of Students Affairs for Female Alumni

My KAU

Communication without Borders

Vision

To bridge the gap between the academic and the practical life for alumni and to integrate the learners' experiences with the scientific requirement of practical life by building the skills and experiences necessary to cope with human development.

Mission

To build ways to support and care for KAU female alumni by providing a variety of excellent training programs, vocational integration, employment opportunities, and social communication so that they can achieve their ambitions, and enhance the scientific processes in our community.

Strategic Goals

- Smoothing the personal and professional skills of students who are ready to graduate throughout offering training programs to them in different fields inside and outside KAU.
 - Finding jobs and training for Alumni through contacts and strategic partnership with employment houses in the government and private sector and training institutes.
 - Building ways to communicate with Alumni and encourage them to participate in different KAU activities and events to discover their creative abilities and energies.
 - Benefiting from distinguished and experienced graduates in various areas to provide scientific and practical guidance for KAU students in their different stages of study.

Training and Vocational Guidance Management

Employment Relations Management

Association of Graduates Management

Training and Vocational Guidance Management

The Vice Deanship of Students Affairs for Female Alumni perceives that the labor market requires many skills to enable graduates to pass the difficulties of working life. Therefore, the Vice Deanship offers many training programs to develop the professional capacity of KAU graduates. This management hopes to help graduates' adaptation to the challenges of time and acquisition of the skills consistent with their strategies for change, selection, and career planning.

Services Provided by Training and Vocational Guidance Management.

- **Integration Training Program:**

A program that aims to harmonize the academic skills of the graduate with the needs of the labor market by building up and developing the personal skills of graduates within a comprehensive training program. This program achieved in cooperation with various sectors inside the University by a group of qualified faculty members under the supervision of the Vice of Deanship of Students Affairs for Female Alumni.

- **Training Partnership Program:**

This is a training program for KAU's Alumni in cooperation with leader foreign sectors that coordinate with those specialized in training programs in an effort to improve our Alumni and enable them to have a successful and functional future.

A close-up photograph of a black and gold pen pointing at a line graph on a document. The graph features several red lines plotted on a grid. A large green rectangular overlay is positioned in the upper right, containing a white box with the text 'Training Programs'. The background document also contains some faint, mirrored text.
