## 3 Association of Graduates Management

The Association seeks to connect with the alumni and organize scientific, cultural, and recreational activities over the academic year through a program of visits that announced through KAU website..

Some Companies attending in the annual Career Forum

## The Annual Career Forum

The Professional Forum is one of the most important events organized by the Vice Deanship of Students Affairs for Female Alumni. It is supported by government and private sectors. It aims to find convenient job for KAU graduates and highlights the competitive advantages that alumni have in order to get professional opportunities related to their scientific disciplines.

## Programms of

### Training and Vocational Guidance Management

#### Integration Program

is a training program for alumni that aims to fulfil the requirements of the labor market in collaboration with professional trainers

#### Partnership Program

is another integration-training program for KAU alumni in collaboration with external world- renowned trainers.

## 2 Employment Relations Management

This office seeks employment relationships and it aims to establish links between female alumni and the labor market, follow up on KAU affairs with them, and guide their move from the educational environment to the practical one. The process entails communication with the labor market to identify the requirements of competencies and skills needed by the market in order to provide jobs for alumni related to their competencies and educational specializations.

## About us

### Vision

To bridge the gap between the academic and the practical life for alumni, and to integrate the learners' experiences with the scientific requirement of practical life by building the skills and experiences necessary to cope with human development.

### Mission

To build ways to support and care for KAU female alumni by providing a variety of excellent training programs, vocational integration, employment opportunities, and social communication so that they can achieve their ambitions, and enhance the scientific processes in our community.

- ▽ Encourage women alumni to contribute to fulfilling the vision and mission of the University.
- ▽ Find ways to communicate with alumni and keep them in the academic climate through encouraging their participation in the activities and various events of KAU.
- ▽ Integrate female alumni with the requirement of the labor market.
- ▽ Smoothing the personal and professional skills of students who are ready to graduate throughout offering training programs to them in different fields inside and outside KAU.
- ▽ Finding jobs and training for Alumni through contacts and strategic partnership with employment houses in the government and private sector and training institutes.
